Eyoub Gebregiorgis

Web Developer

I'm a junior web developer and aspiring computer science student who loves coding and solving problems. I'm on a journey of continuous learning in the ever-changing world of technology. I've taught myself web development, focusing on languages like HTML, CSS, and JavaScript to turn creative ideas into digital reality. As a junior computer science student, I'm committed to growing my theoretical knowledge and applying it to real-world projects. I balance my academic studies with hands-on experiences from self-directed projects, where I've explored front-end and back-end development, responsive design, and the complexities of web applications.

Experience

2023 - Present

Grade Potential Tutoring | Oakland, CA

Math Tutor

- Provided one-on-one tutoring sessions to high school and college students in algebra and calculus.
- Developed customized lesson plans based on individual student needs, focusing on strengthening fundamental concepts and addressing specific challenges.
- Conducted regular assessments to gauge student understanding and adjusted instructional strategies as needed.

2022 - Present

Lyft/Uber | Oakland, CA

Part-Time Ride-share Partner

- Provided exceptional customer service to passengers, ensuring a positive and comfortable ride experience.
- Maintained a high average rating from passengers, reflecting professionalism and reliability.

2019 - 2020

SP+ | Oakland Airport, CA

Customer Service Representative

- Resolved customer inquiries and concerns, demonstrating strong problem-solving and communication skills to maintain customer satisfaction.
- Implemented and maintained accurate record-keeping systems for tracking taxi availability, driver assignments, and overall dispatch operations.
- Collaborated with airport authorities, taxi companies, and other stakeholders to address logistical challenges and enhance overall transportation efficiency.

2018 - 2020

Walgreens | Oakland, CA

Customer Service Associate

- Demonstrated excellent customer service by greeting and assisting customers in a friendly and professional manner.
- Effectively handled customer inquiries, resolved issues, and ensured customer satisfaction.
- Processed transactions accurately using the point-of-sale (POS) system, handling cash and card payments.
